

NOTICE TO TAXPAYERS

First American R/E Tax Service is a company that has been hired by various banks nationwide to handle payment of their escrow accounts. It has come to the Town's attention that First American R/E Tax Service made an error when they selected the real estate accounts that they would be handling for those banks.

This does not affect everyone. Taxpayers that received a Distribution Letter in error will be receiving a tax bill shortly. Taxpayers that received a tax bill who escrow their taxes with their bank can be assured that all banks involved have been notified and will be submitting payment to the Town.

Any further questions, please call the tax office at (860)652-7614.
